Echoing Amit- we are very grateful and appreciative to Univers Transit, the Embassy and Consulate team for all that you do!! Packing out and moving is always complicated and has so many moving parts- we can't thank you enough for making this stressful process as smooth as it could be, and handling every hiccup with kindness, efficiency, and professionalism. Its people like you who make the transitions that much easier.
Our deepest thanks.

My friends who helped with the pack-out on Monday specifically said they hope that when the time comes for their own moves they can use you guys!

Warm regards,

Miriam
